Bio

Chantelle Anderson is a Vanderbilt Alum, former WNBA Player, and basketball Hall-Of-Famer. Despite the awards, Chantelle is candid about her past struggles with insecurity and self-doubt. She treats confidence as a skill that can be built and maintained, just like physical fitness. Now as a confidence coach, Chantelle is an expert at teaching others to overcome insecurity and find the resiliency they need to live a wholly confident life. On the weekends, you'll find her on the couch for a movie and sushi night, listening to live music somewhere around the city, or volunteering for a cause she believes in.

Chantelle has a way of connecting with you at any phase of life and taking the journey with you. Her smile and her joy are infectious and when working with her, you can feel her genuine passion. She has been a sounding board, a critic, and a friend. Every time we speak, I leave our interactions re-energized and with a plan of action.
