Bio

Moore began as a management consultant to Fortune 500 C-level executives, then became a successful entrepreneur, and finally finished his for-profit career Chief Strategy and Marketing Officer in a Global 100 company. He has been a principal in a variety of industries including: computer, telecom, smart grid, and chemical industries. In 2015, Roy founded a nonprofit organization focused on preventing bullying among our children. As a husband, father of three, and grandfather of five, addressing the challenges facing children, including bullying, have become a passion for Moore.

References

Roy inspires and encourages with his business wisdom and wit. He knows exactly how to move business leaders.

David Hill
